NOVEMBER EDUCATION HOUR: *A Peek at the Greek in the Readings this Week* - from **9:00 to 9:45AM Sunday**. Originally the New Testament was written in common Greek and there have been many translations in many languages. Looking at the original Greek brings out many nuances of meaning that are impossible to translate concisely into English. Rick will attempt to illuminate those nuances and provide a deeper understanding of the readings.

♥Green Team Tip♥ Yes, your bicycle CAN carry your groceries! You can add large, sturdy **baskets** or **crates** to the handlebars and **rear rack** with **zip ties** or **bungee cords** at the very least. **Panniers** are bags added to the back. Some can be easily clipped off to bring into the store with you or worn like a backpack. Some, like the **Mundo Air** or **Bakkie Cycles** panniers can even carry a guitar or bass!
